WE ARE HERE TO HELP!

WALK-INS WELCOME

7:30 AM TO 7:00 PM

To our fellow community providers,

Haven Behavioral Hospital of Albuquerque continues to provide inpatient crisis stabilization and outpatient treatment to adults in need of mental health or substance use services. We have expanded our walk-in hours and remain available, offering no-cost, on-site assessments for adults.

In an effort to mitigate the spread of the pandemic, Haven has implemented procedures to screen employees and new patients. Haven has implemented other procedures consistent with CDC infectious disease protocols, including the temporary suspension of visitation to our facility.

Haven remains dedicated to responding quickly and responsibly to the needs of our community. We are unwavering in our commitment to the safety of our staff, our patients and their loved ones.
